Сабақтың ортасы	<p>1 Look at the picture. What are the children doing? Have you got any of these gadgets? If yes, what do you use them for? Pupils' books closed. Write the word gadget on the board. Ask the pupils if they know what gadgets are and elicit the names of different gadgets (e.g. tablet, mobile phone, earphones, etc). Pupils' books open. Ask the pupils to look at the pictures on p. 48 and have a picture discussion. Point to the boy and ask: What is he holding? Elicit: A tablet. Then ask: What is he doing? Elicit answers (e.g. He's playing games.) Repeat the same for the girl. Ask the pupils if they have any of these gadgets and what do they use them for. Elicit answers from individual pupils. Suggested answer key I have a tablet. I use it to watch videos online. 2. How do you communicate with your family and friends? Which way of communication do you use more often? Choose and tell the class. Read aloud the phrases and explain to the pupils that these are different ways of communication. Ask the pupils if they can think of other ways of communication. Read aloud the example and explain the activity. Allow the pupils some time to complete it. Check their answers. Ask individual pupils to tell the class. Suggested answer key I like sending text messages to my friends. I text them every day. Body Language 3. Let's Play Pupils' books closed. Write on the board: It's OK. Good luck! Sign OK without speaking. Ask the pupils which of the two sentences is correct. Then write body language on the board and explain to the pupils, in LI if necessary, what body language is. Pupils' books open. Refer the pupils to the pictures, one at a time, and read aloud the phrases. The pupils listen and repeat chorally and/or individually. Divide the class into two teams, A and B. Ask one pupil from each team to come to the front of the classroom. One pupil mimes one of the phrases and the other tries to guess the correct phrase. Each correct answer wins a point.
