Ход урока

Этапы урока	Запланированная деятельность на уроке	Ресурсы
Начало урока (10)	Introducing the topic and discussing the learning and lesson objectives Pre- reading: Teacher shows a picture, students predict what the text is about by sharing their ideas in a whole class discussion.	Power Point Slide
Середина урока (20)	While-reading: Students read the text and identify its main idea. Students read the text again and mark whether the sentences are true or false. *Teacher may give differentiated tasks. More-abled students should answer all 6 questions and highlight or underline the sentences in the text to justify all their choices. Lessabled students should answer 4 questions and highlight or underline the sentences in the text to justify all their choices. Students read the text again and match the sentences according to the text. Students compare answers in pairs before the open class feedback Students read the text again and complete the task. More-abled students ask questions for the given answers. Less-abled students answer the questions based on the text. Post-reading: Students discuss in pairs how his bad habits may influence the reproduction system. Students in pairs discuss the possible ways in which Freddy can change his life and lifestyle. Students brainstorm their ideas and create a mind map. Teacher goes around the class helping students to enlarge their mind maps.	https://en.islcollective.com/english-esl-worksheets/vocabulary/health-and-going-doctor/be-or-not-be-healthy/4144 reading handouts

Этапы урока	Запланированная деятельность на уроке	Ресурсы
