Beginning of the lesson (7)	(An activity to revise the language of the previous lesson.) Ask the pupils to make up 3 sentences about a weather condition or natural disaster from the previous lesson without saying what it is. Then in pairs, the pupils say their sentences to their partner and see if they can guess the correct answer.	
Reading and writing (25-26)	Step 1 Activities to develop the pupils' reading and writing skills.) Read and underline. Then listen and check. Explain the activity. Allow the pupils some time to read the text and underline the correct words and check their answers. Step 2 Listen and circle. Read aloud the title and elicit from the pupils what they know about volcanoes. Explain the activity. Go through the sentences and elicit/explain any unknown words. Check their answers. And now let's talk about volcanoes. Did you know that the word Volcano comes from the word Vulcan, the Roman god of fire? Yes, that's right. As for the largest active volcano, that's Mauna Loa and it's in Hawaii. So if you want to see it up close, then you have to visit Hawaii. And when you are in Hawaii, you can visit other volcanoes, too. Why? Because most volcanoes are in the Pacific Ocean. There are more than 1,000 volcanoes, but there aren't any volcanoes in the UK.
