<p>Конец урока (3 mins)</p>	<p>Feedback [W] Board racing game: Ask learners to come to the middle of the classroom, divide them into 2 groups. Learners stand in a row. Rule: Teacher shows a picture of a classroom object on the PPT . Learners should look at the picture and touch the word which is on the board. Who touches the word first is the winner. This should be a quick and exciting game. If time allows, do 'color the room' activity. Give out the worksheets and have each learner color them in. As learners are working away, circulate and ask questions (e.g. What's this? What color is this?). When finished, get each student to show the class their work, ask a question (e.g. what's this?) praise learners and give applause.</p>	<p>Worksheet 5</p>
