Середина урока (6 - 30 minutes)	<p>Vocabulary The teacher writes the word “environment” on the board, clarifies its meaning if necessary and asks the learners to write their associations allowing some time for them to think. Differentiation: To help less able learners make their contribution, explain that words like “tree”, “river” are also connected to the topic. The teacher presents new words using the slides. Learners write them down in the table. The teacher asks learners to think of a solution for each problem and write it in the same table. Differentiation: To help less able learners, show slide 10 for them to select solutions and match them to the problems. To practise new vocabulary Draw Ss’ attention to the pictures (A-F) and elicit what they show. Monitor the activity around the class and then ask various Ss to tell the class. To identify compound nouns. Elicit the compound nouns from Ex.1 from Ss around the class Car park, shopping mall, department store To personalize the topic Ask various Ss around the class to use the words given to describe the places where they live. Suggested answer key: I live in a city. There are skyscrapers, shops but there aren’t any fields, woods or farms. I live in a town. There are shops, squares, parks and block of flats but there aren’t any factories or skyscrapers. I live in the country. There are fields, woods and a river but there aren’t any shopping malls or skyscrapers. Speaking The learners work in pairs and discuss the solutions to the problems. The teacher may focus the discussion either on the issues that are important for Kazakhstan or on international environmental issues. Formative assessment: The teacher monitors and keeps track of good ideas and examples of language use and common mistakes. The teacher comments on the good ideas and examples of language use and common mistakes eliciting ways to correct them from learners.</p>	<a href="https://www.engvid.com/past-simple-past-perfect/">https://www.engvid.com/past-simple-past-perfect/</a>
Конец урока (5 minutes)	<p>REFLECTION The teacher throws a ball and asks learners to share what was useful, what was difficult, what is worth remembering. Homework: Learners record the weather for the week. Ask them to copy a table into their notebooks (you might want to put today’s or tomorrow’s day as the first day) Saying goodbye</p>	
Рефлексия (2 minutes)	<p>Reflection Were the lesson objectives/learning objectives realistic? Did all learners achieve the LO? If not, why? Did my planned differentiation work well? Did I stick to timings? What changes did I make from my plan and why?</p>
